

RN/ARNP/PA Specialty Template - (Effective 2/12/13)

We require volunteers to be flexible so as to make your experience as positive as possible. Please understand that you may not be working in your specialty, but where you will be needed and where you will be comfortable.

Below you will find the areas that you may be assigned to work. Please, fill out this form and let us know in which of those areas you feel comfortable working. **Please select all that apply.**

** The number within the () indicate the Maximum number of volunteers we can take in that area.

*** **Optional specialties will be taken depending on space availability, the composition of the team, and your flexibility to work in other areas.**
